OBITUARY.—Mr. John Harris, better known as "Pap" Harris, died yesterday at noon, at the residence of his daughter, Mrs. Tamor Nelson, No. 1043 Eoff street. Mr. Harris has been long and favorably known in this community, and the announcement of his decease was received with pain by a large circle of friends.

Mr. Harris was born in Connersville, Md., March 26, 1802. He married in Baltimore and came to Wheeling when only twenty-three years of age. He resided in this city only a short time, removing to Mt. Pleasant, and from thence to Marthi's Ferry. After living in that town for a short time he moved his family to this city in 1847, residing here ever since. From that time on to the closing years of his active life he was employed in G. Mendel & Co.'s furniture factory as undertaker, continuing in that capacity until his years forbid him engaging in any active employment.

Mr. Harris, we do not believe, had a PETE WALTER whipped his wife yester-day, and when Officer Miller went after him he drew an axe from its hiding place and wanted to mince the "poplarest," but he went to the lock-in. and wanted to mince the popularest, but he went to the lock-up.

Contract Awarded.—The Committee on Lights met last night, and, among other business, awarded the contract for lighting, furnishing with oil, etc., the different city lamps in the several sections of the city where oil lamps are used.
